and 18 JUN 1959

[Redacted]

Dear Charles:

Thank you very much for your letter of 11 June concerning [Redacted] who wishes to join the CIA.

I have made arrangements to have one of our representatives talk to [Redacted] and he should be in touch with him very shortly. Just at the moment we do not have many openings since we have been reducing our personnel and must continue to do so; however, we are always interested in bright young people who wish to make a career with the Agency. In any event, I am most appreciative of your thought in bringing his name to my personal attention.

It was good hearing from you again and I deeply appreciate your expression of appreciation for my brother.

With every best wish and kindest regards.

Sincerely,

SIGNED
